The reconstruction of West Point is an undertaking of interest to the whole country; and the result of the changes under way will be a matter of national pride, for it is promised that the new West Point in magnificence of scale, titanic impressiveness and fascinating picturesqueness will surpass anything that crowns the crags of the Rhine. The leading article of the July Century will be an authoritative description of "The New West Point," the first so far published on the subject, with drawings from the architects' plans. The text is from the pen of Sylvester Baxter, and the drawings, the frontispiece in color, have been made by Otto Bacher, Harry Fenn, Bertram Goodhue, Birch Long, Jules Guerin and Dawson-Watson.

Soldier Defended His Curls.

Should Mr. Hitt be elected vice president he will be 71 when he takes the oath of office and in his 72d year, he having been born January 16, 1834. He will be the oldest man ever elected to the vice presidency. Elbridge Gerry was 69 when he became vice president, and is still the oldest man on the list of those who have held that office. Clinton, King, Wilson, Hendricks and Morton had all passed the sixtieth milestone on life's highway. The youngest vice president was John C. Breckinridge, who was 35 when he was inaugurated.

Hypnotism Can Stop Heart.

According to recent investigations it appears probable that hypnotism can stop the action of a person's heart, and thus cause death. A. Journet, a Frenchman, reports that he has increased and diminished the number of pulse beats at will, and as far as he could venture with safety. It is said to be also proved that circulation is curiously affected, even if it is not quite certain that the heart can be silenced.

To Tunnel Under the Channel.

One of the results of the recent Anglo-French agreement is a renewal of the scheme for tunneling the channel between France and England. The London and Paris chambers of commerce are leading in the matter. It is nearly fifty years since the tunnel project was put upon a practical basis of experiment, but since then the original estimate of cost has been reduced from \$50,000,000 to \$20,000,000.

Insist on Getting It.

Some grocers say they don't keep Defiance Starch because they have a stock in hand of 12 oz. brands, which they know cannot be sold to a customer who has once used the 16 oz. pkg. Defiance Starch for same money.

Spencer in Russia.

Tolstoi in acknowledging the receipt of a copy of Herbert Spencer's autobiography confessed that he did not like the English philosopher because he had little heart. But that Spencer is a great favorite in Russia modern Russian literature bears ample witness. That very aridity of which Tolstoi complained appeals peculiarly to the feverish, materialistic idealism out of which nihilism springs. Probably no single philosopher has exerted a wider influence on Russia, which has not as yet produced much in the way of philosophy that is original.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.
